## GENERAL SECRETARY

**Dr. Jitendra Chauhan**  
Professor (Extension Education)  
College of Fisheries (CAU Imphal), Tripura

August 26, 2021

**Subject:** Constitution of Editorial board for IRJEE.

**Dear Members,**

It is an immense pleasure for SEEA-Family to rejoice that the *Indian Research Journal of Extension Education* published by the Society of Extension Education, Agra has successfully completed its twenty-two years of journey since 1999 with an aim to publish the peer reviewed original scholarly research articles timely in all aspects of extension education in general and agriculture extension in particular. On this occasion we acknowledge the contribution made by each one of you, the contributing scientists, reviewers, editors and subscribers for continuously maintaining the credentials of the journal nationally and internationally.

The existing editorial board has been rendering its services and we owe our deepest sense of gratitude to the members for their painstaking services. However, it would be befitting to reconstitute the editorial board of the journal according to the provisions led down in the guidelines of the journal.

Our humble submission to all the life members of the society is to kindly apply electronically for becoming a part of the editorial board of the esteemed journal along with one page bio data especially mentioning the editorial activities rendered for other journals of national and international repute and also mention your *google scholar citation score*. We propose to have experts for editing in the area of Extension Education (Agriculture Extension, Animal Science/Veterinary Extension and Home Science Extension), Agril. Statistics, Computer Applications and English Language. The application should reach to the SEE office on or before 30.09.2021 only through e-mail <seeagra@gmail.com>.

With best regards,

**Sincerely yours**

**(Jitendra Chauhan)**  
**Gen. Secretary, SEE, Agra**
